1. I I've been in love be- fore I thought I would no  
2. I I don't know what you do you make me think that

more ma- nage to hit the cei- ling. Still strange as it seems to  
you po- ssi- bly could re- lease me. I think you'll be a- ble

me you brought it back to me that old feel- ing.  
to make all my dreams come true and you ease me.

Ref.: You thrill me you de- light me You please me you ex- cite me

You're some thing I'd been plead- ing for

I love you I a- dore you I lay my life be- fore you

I'll have you want me more and more And fi- na- lly it seems my

lo- nely days are through. I've been wait- ing for you.

3. I, I'm gonna make you mine  
You're gonna feel so fine  
You'll never want to leave me  
I feel you belong to me  
Someday you will agree  
Please, believe me
